

ACCELERACE

Q1 2022:

**This is what characterizes the 15
portfolio companies in our fund**

A transparent summary of Accelerace Invest II

GENDER

27% of the companies have female founders

Out of 15 portfolio companies, there are two all-female founder teams and two mixed-gender founder teams.

Compared to the industry average, our fund has 27% more companies with female founders.

ACCELERACE

GEOGRAPHY

40% are based outside of Copenhagen

Nine companies are based in Copenhagen, five are based all over Denmark (in Aarhus, Struer, Aalborg, Køge, and Odense), and one is based in the Baltics (Latvia).

Compared to the industry average, our fund has 64% more companies based outside of Copenhagen.

ACCELERACE

EXPERIENCE

87% are founded by first-time founders

The majority of the founders in our portfolio are launching and running their first-ever companies!

Only one company is founded by serial founders, and one by a mix of first-time and serial founders.
