Q2 2022:

**This is what characterizes the 17  
portfolio companies in our fund** →

Swipe to see a transparent summary of Accelerace Invest II

GENDER

# 29% of the companies have female founders

Out of 17 portfolio companies, there are three all-female founder teams and two mixed-gender founder teams.

Compared to the industry average, our fund has 40% more companies with female founders.

ACCELERACE

## GEOGRAPHY

# 41% are based outside of Copenhagen

Ten companies are based in Copenhagen, six are based all over Denmark (in Aarhus, Struer, Aalborg, Køge, and Odense), and one is based in Riga (Latvia).

Compared to the industry average, our fund has 68% more companies based outside of Copenhagen.

ACCELERACE

EXPERIENCE

# 88% are founded by first-time founders

The majority of the founders in our portfolio are launching and running their first-ever companies!

Only one company is founded by serial founders, and one by a mix of first-time and serial founders.
